# We **all** have issues that break our Rhythm

- ▶ I'm exhausted and out of balance
- ▶ I am bored and unmotivated in my career path
- ▶ I am forced to lie and compromise my ethics
- ▶ I question whether "what I do" matters to God
- ▶ I am susceptible to sexual temptation
- ▶ My boss is angry and critical
- ▶ I can't even find a job

When our beliefs, attitudes  
and actions align with God,  
we experience a sense  
of **Rhythm** with Him.
